### **SJH partners with American Red Cross to celebrate National CPR week**

**Parkersburg, WV** –In honor of National CPR week, St. Joseph's Hospital and the local American Red Cross office partnered today to host a special CPR/AED awareness event.

The event was held at Border's bookstore at the Grand Central Mall from 11:30am - 3:30pm with CPR and AED demonstrations. A special thank you to Marcella Will and Carol Ginanni from the SJH Education Department for coordinating this outreach activity.
