Lee Anne Montgomery Announced as Chief Nursing Officer

Parkersburg, WV – St. Joseph's Hospital has recently appointed Lee Anne Montgomery, RN, BSN to the position of Chief Nursing Officer. Montgomery brings with her over 20 years of experience as a Nurse Executive with various hospitals across the United States, including two years experience as a national Director of Clinical Operations with LifePoint, overseeing eleven facilities. As Chief Nursing Officer, Montgomery will oversee all of the nursing functions and departments at the hospital.

"I was immediately impressed with the loyalty and dedication to safety and quality patient care exhibited by the staff, physicians and hospital administration upon my initial visit to St. Joseph's Hospital," said Montgomery. "With all the recent changes in health care, St. Joseph's has met these challenges well. I look forward to making Parkersburg my home and working with all the staff at St. Joseph's towards a common goal of providing excellent care in our community."

Montgomery holds a Bachelor of Science Degree in Nursing from the University of North Alabama and is currently pursuing a Master's Degree in Nursing Management through the University of Alabama in Huntsville.
