## **Stacey Richards joins St. Joseph's Hospital as the Director of Rehab Services**

**Parkersburg, W.Va.** – St. Joseph's Hospital is pleased to welcome Stacey Richards, BS, MPT, as the Director of Rehab Services at St. Joseph's Hospital. Richards began her education at The Ohio State University with a Business Administration Degree. After graduating from OSU, she worked as a rehab tech for several years before getting her PTA degree. She then went on to get her Masters in Physical Therapy from the University of Findlay.

"We are delighted to have Stacey in her new role as the Director of Rehab Services," stated St. Joseph's Chief Operating Officer Lynn McCormick. "Stacey joined St. Joseph's in 2007 as a part-time Physical Therapist with our Rehab team. She was selected to lead our Rehab Services because of her commitment to providing the best possible care to our patients." In addition to her tenure at St. Joseph's, Richards has also provided physical therapy services at Southeast Ohio Rehab and SunDance Rehab over the past 10 years.

"I love being a part of St. Joseph's Hospital," said Richards. "It's like being part of a big family and I have always felt at home here," says Richards.

Richards is originally from Vincent, OH and graduated from Warren High School. Her past work experience consists of outpatient orthopedics, home health PT, and rehab in a long term facility. Richards and her husband Rob have three children Wes, 19, Halle 16, and Reese 5.
